

I'M APPLYING DURING THE SECOND ROUND.

WHAT DO I NEED TO KNOW FOR THE UF MS-DI PROGRAM?

If the University of Florida Master of Science - Dietetic Internship Program has open slots after the first round of matching, qualified applicants will be considered beginning 11:00 AM Eastern time on the Thursday allowing the match notification date. Applications must be submitted by 11:59 PM on that day. Decisions will be made during the following week.

To be eligible for the second round application process, you **MUST**:

- have been unsuccessful in securing a match during the first round of matching of the current year.
- have already taken the Graduate Record Examination (GRE).
- reviewed our website to make sure this is a program that meets your needs and interests, and is within your financial budget.
- check the admission criteria and policies for the UF Graduate School; you **MUST** meet these criteria in order to apply to the UF MS-DI program.
- release your DICAS materials to the UF MS-DI program
- your GRE score must be included in your DICAS application materials.

If you are invited to become part of the internship class, you must submit an application to the UF Graduate School, including the \$30 application fee, within one week of the invitation. Failure to do so will forfeit your invitation.

Final acceptance is contingent upon verification of your GPA from official transcripts and official GRE score report (from ETS) submitted to the UF Graduate School.

Prior to beginning the program, all applicants accepted to the program must submit an official transcript showing completion of a Bachelor's degree and an original copy of their DPD Verification Statement. Applicants matched to the program who do not complete their degree and/or submit an original copy of their DPD Verification Statement will lose their spot in the program.
