FOOD SCIENCE MINOR

Requires a Minimum of 15 Credits

The UF/IFAS Food Science and Human Nutrition Department offers a minor specializing in Food Science. The Food Science minor is open to all students at the University of Florida. For those students with little science background, there are options listed below that have minimal prerequisites. Minimum grades of C and a minimum cumulative 2.5 GPA required for minor.

NUTRITIONAL SCIENCES MINOR

Requires a Minimum of 15 Credits

The Nutritional Sciences minor provides students with an overview of the nutrients, nutrient requirements throughout the life cycle, and metabolic regulation of nutritional pathways. The Nutritional Sciences minor is open to all students, but is particularly appropriate for students majoring in biology, microbiology and cell science, or zoology; or students who are interested in professional programs in medicine, dentistry, and pharmacy. Minimum grades of C and a minimum cumulative 2.5 GPA required for minor.

REQUIRED COURSES FOR THE NUTRITIONAL SCIENCES MINOR
